Manav Mangal organises cultural fiesta

The annual cultural fiesta, ECLAT Juniors 2017, of Manav Mangal High School, Sector 21, Chandigarh, was held in the auditorium of Manav Mangal Smart School, Mohali. The little budding artists being the main star attraction entertained the audience with their colourful performances.

The fiesta began with a presentation highlighting the achievements of students in scholastic and co-scholastic areas followed by a prayer. The beauties of nature are the greatest gifts of God to man. Lucky are the ones who enjoy and appreciate nature. The little chil-

dren expressed their joy on the wonderful creations in their performance 'Bum ban bole'.

Mother is like an angel in our life, full of compassion, love, dedication, power and sacrifice. The tiny tots payed a tribute to God's greatest creation 'maas'. Amidst huge applause, an energetic and rhythmic dance performance 'Shiv tandav' was exhibited in the glory of Lord Shiva (who is associated with the dance form). The endeavour to preserve the green gold of the Earth - the trees, was beautifully presented in a dance performance 'Ek pukaar'.

Children entertained the audience with their wonderful acts

and tricks through a unique but dying art of entertainment in

circus. Nowadays, human beings are destroying the envi-

ronment by wasting clean water. The little ones enlightened

the audience through their dance presentation about the problems humans are facing because of wastage of water.

The people of Punjab are known for their liveliness, exuberance and joyful nature. The same energy was presented through a bhanga performance that brought the audience to their feet. The students of Manav Mangal School also paid a tribute to India, our great nation through a colourful dance performance 'Dil hai Hindustani'. It also highlighted the sacrifices made by our great leaders.

The function concluded with an appreciation presentation followed by the school song.
