

**REVISED - Continuous and Comprehensive Evaluation for students of Pre-Nursery**

Dear Parent,

Our tiny tots came to the school a few months ago. In this new facet of their lives they have picked up academically and are being groomed socially. They have learnt to work in a group, follow instructions and value time. In order to assess the 'Learning Graph' of the children and to give you an idea as to how much they have grasped, we would be assessing the children on a very basic individual basis in the month of September in the below mentioned areas :
